## RAFFLE PRIZE DONATION REQUEST

We need your help. Our soldiers have sacrificed much to ensure that we retain our freedom and way of life. Now it's our turn to help provide them with freedom and improve their way of life. One way that our organization raises funds for this amazing cause is through our Paws For Patriots Golf Tournament which is being held at River Hills Country Club in Valrico, Florida on Monday, October 9, 2017. At the Golf Tournament, we sell raffle tickets to the soldiers and other players for chances to win raffle prizes. The success of the raffle ticket sales is a crucial element of the overall success of our fund raising efforts. **AND THIS IS WHERE WE NEED YOUR HELP!**

**YOUR DONATION OF A GIFT CARD OR OTHER PRIZE ITEM  
FOR THE TOURNAMENT RAFFLE WILL HELP US TO MAKE A DIFFERENCE!**

The monies that are collected for this charity through our Golf Tournament and other events will help us to provide these men and women, that are suffering from visual impairments resulting from injuries sustained while in service to our country, with a guide dog that will enable the soldier to once again enjoy mobility, independence, and most importantly, it will allow him or her to do so with dignity.

We are the Harley Owners Group. HOG is an international organization for Harley-Davidson motorcycle owners and enthusiasts. The Old Town Chapter Harley Owners Group located in Brandon, Florida, is very active in its local community. We have approximately 300 members, and for the past ten years we have chosen Southeastern Guide Dogs (SEGD) Paws for Patriots program as our primary charity. During that time, with the help of people like you, we have donated over a quarter of a million dollars to this worthy cause. Last year alone, we were able to raise \$46,065.77. Our goal is to exceed last year's donation, but we cannot do that without your help!

Many people don't know that the Veterans Administration does not recognize service animals as a prosthetic need, and therefore won't pay for the cost to provide a veteran with a trained guide dog. And most people also don't know that from the point that a dog comes into the program and goes through all the training necessary for that dog to be certified it can cost \$60,000.00 or more.

Please assist us with this wonderful cause through your generous raffle prize donation. Your participation will gain recognition for your business as a supporter of wounded veterans in the Tampa Bay area. We thank you in advance for helping Old Town Harley Chapter of Brandon in supporting Southeastern Guide Dogs Paws for Patriot Program.

*SEGD is a non-profit 501(c)(3) organization so your donation is "Tax Deductible"!*
